Tennessee Gas Pipeline Company; Notice of Cashout Report

February 3, 1999.

Take notice that on January 29, 1999, Tennessee Gas Pipeline Company (Tennessee) tendered for filing its fifth annual cashout report for the September 1997 through August 1998 period.

Tennessee states that the cashout report reflects a net cashout gain during this period of \$4,930,456. The report also reflects a reduction in Tennessee's cumulative loss to date from cashout operations to \$3,207,374.

In anticipation of filing a settlement of its pending cashout proceedings which shall include this fifth year cashout report, Tennessee has requested an extended time period for filing motions to intervene or protests. Therefore, the Commission will not establish a date for filing a motion to intervene or protest with the Commission until after the referenced settlement has been filed. Tennessee Gas Pipeline Company; Notice of Filing

February 3, 1999.

Take notice that on January 29, 1999, Tennessee Gas Pipeline Company (Tennessee), tendered for filing (1) an Electronic Data Interchange (EDI) Trading Partner Agreement (TPA) between Tennessee and Enron Capital & Trade Resources Corp. (Enron) and (2) Second Revised Sheet No. 413 of Tennessee's FERC Gas Tariff, Second Revised Volume No. 1 (Volume No. 1 Tariff). Tennessee requests an effective date of February 10, 1999.

Tennessee states that it is submitting the TPA for Commission approval because the TPA contains language which differs from the form of TPA contained in Tennessee's Volume No. 1 Tariff (Pro Forma TPA). Tennessee further states that the TPA differs from the Pro Forma TPA due to the parties' desire to adopt the provisions of the Model TPA of the Gas Industry Standards Board (GISB) which GISB filed with the Commission on November 3, 1998.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. February 3, 1999.

Take notice that on January 29, 1999, Texas Gas Transmission Corporation (Texas Gas) tendered for filing a report that compares gas supply realignment (GSR) costs with amounts recovered through the GSR recovery filings.

Texas Gas states that this reconciliation filing is being made in accordance with Section 33.3(h)(i) as found in Texas Gas's FERC Gas Tariff, First Revised Volume No. 1, and in compliance with Commission Order dated December 24, 1998. Texas Gas states that it has over-recovered its GSR costs due from the firm customers, which may be applied toward costs resulting from a minor unresolved issue and subsequently refunded. The report also details the under-recovery of GSR costs from IT service, which will continue to be recovered pursuant to the cost-sharing mechanism agreed to in the GSR settlement.

Texas Gas states that copies of the revised tariff sheets are being mailed to Texas Gas's jurisdictional customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before February 10, 1999.
